

# Would You like to Help?

*Job: A Postmodern Opera of Biblical Proportions*

**March 10, 2012**

**Kroc Center**

Besides needing more musicians (singers/players), a few dancers, we could use artists, tailors, seamstresses, and carpenters for props/set construction, plus stage techies who LOVE theater.

Presently there is a need for additional **BRASS** players, **Saxophonist**, **Clarinetist**, **Percussionist**, **Strings** (violin, cello) and **Keyboardist**
